

Good Health to the Children

Children especially are fond of dainties, and the housekeeper must look carefully to their food.

As good cake can be made only with good eggs, so also a cake that is healthful as well as dainty must be raised with a pure and perfect baking powder.

Royal Baking Powder is indispensable in the preparation of the highest quality of food. It imparts that peculiar lightness, sweetness and flavor noticed in the finest cake, biscuit, doughnuts, crusts, etc., and what is more important, renders the food wholesome and agreeable to young and old.

Portland Merchants Buy Potatoes in the East.

Strawberries Are Coming in but Are to High for General Use—Eggs Are Advancing in Price and the Season for Cheap Eggs Is Past.

Several carloads of Minnesota Burbanks have arrived, all of the Oregon potatoes having been used up. New potatoes are coming in but prices remain high. Strawberries are being received daily, but the wholesale price is 10c, making them too expensive for general use. Eggs advanced yesterday and there will be no more cheap eggs this year. Terrific Race With Death.

"Death was fast approaching," writes Ralph F. Fernandez of Tampa, Fla., describing his fearful race with death, "as a result of liver trouble and heart disease, which had robbed me of sleep and of all interest in life. I had tried many different doctors and several medicines, but got no benefit, until I began to use Electric Bitters. So wonderful was their effect, that in three days I felt like a new man, and today I am cured of all my troubles." Guaranteed at Chas. Rogers' drug store; price 50c.
